6. [] BRIEFING I accompanied Carl Duckett, DDS&T, and Representative Dale Milford (D., Texas) on a tour of certain sensitive facilities in the area. Milford seemed very impressed with what he saw. Although he is not real familiar with the intelligence processes, he did demonstrate that he is developing background knowledge rapidly. He stated that he would like to have Representative Olin E. Teague (D., Texas) make a similar tour. His only negative comment about the briefing concerned defensive mechanisms. He also indicated that he would like to receive a briefing on Soviet capabilities in the same field. I told him I would discuss the matter and get back to him.

7. [] BRIEFING I took a call from Rick Gilmore, on the staff of the Subcommittee on Multinational Corporations, Senate Foreign Relations Committee, who is back from his recent trip to Moscow. He stated that he would like to be debriefed on his trip and discuss some information which he picked up which he believes is at variance with what he received prior to his visit. The particular area is the purpose behind the Soviet importation of grain. He also stated that Jerome Levinson, Counsel to the Subcommittee, was getting into the Soviet grain area and would like to attend the briefing. I called [] OCI, and set up a meeting for Monday, 8 December, at 10:00 a.m. for the debriefing. It will take place in [] office, OER.

8. [] LIAISON Allen Yuspeh, of Senator Bennett Johnston's (D., La.) office, called to thank the Agency for our briefing of Senator Johnston on the Middle East order of battle.
